big smile

10:08am, Sat, Nov 14, 2015 by fad

I want to do 20% project with my 3rd graders...how could I do this with the CC standards that are not as broad as the ones he stated?

10:08am, Sat, Nov 14, 2015 by Elisabeth

Like 20% idea

10:08am, Sat, Nov 14, 2015 by MakeitCount

This workshop will make my job a lot easier because its paperless and high tech as well.

10:08am, Sat, Nov 14, 2015 by Nancy

#jackedupforlearning

10:08am, Sat, Nov 14, 2015 by Ehall

Awesome book recommendation!

10:08am, Sat, Nov 14, 2015 by Juliej

I like the 20% idea as well.

10:08am, Sat, Nov 14, 2015 by AKB

Very informative

10:09am, Sat, Nov 14, 2015 by Teach4life

WOW!!! Where was technology when I was a kid??

10:09am, Sat, Nov 14, 2015 by momoftwins

Engaging

10:09am, Sat, Nov 14, 2015 by Jlu

Recently had a student pull the button at dismissal

10:09am, Sat, Nov 14, 2015 by Chris

Cute kiddos!

10:10am, Sat, Nov 14, 2015 by AKB

Love the 20% project!

10:10am, Sat, Nov 14, 2015 by Celeste

Overwhelmed...in a good way!!!

10:10am, Sat, Nov 14, 2015 by Yodi

Its Great!

10:10am, Sat, Nov 14, 2015 by Nancy

Kids today will not know a world without technology. Awesome-sense!!!

10:11am, Sat, Nov 14, 2015 by momoftwins

We still need vocational training but that is also using technology

10:11am, Sat, Nov 14, 2015 by Chris

Technology is grand, but foundational skills need to be learned first

10:11am, Sat, Nov 14, 2015 by Jlu

ok terrified of sharks

10:12am, Sat, Nov 14, 2015 by ehall

Are the sharks politicians pretending to be educators?

10:12am, Sat, Nov 14, 2015 by momoftwins

@Chris totally agree

10:12am, Sat, Nov 14, 2015 by KC

Agreed!

10:12am, Sat, Nov 14, 2015 by AKB

Agreed

10:13am, Sat, Nov 14, 2015 by Dyeva

What do we do for the parents who are technology-phobic?

10:14am, Sat, Nov 14, 2015 by momoftwins

@momoftwins Offer to help them get started. At PT Conferences I helped Karen's set up emails

10:14am, Sat, Nov 14, 2015 by Elisabeth

@momoftwins sorry, I helped them set up emails and get on class dojo

10:15am, Sat, Nov 14, 2015 by Elisabeth

Love the idea about using remind.com to send kids educational tid-bits!!!!

10:16am, Sat, Nov 14, 2015 by Koralina

When we are motivated and interested

10:16am, Sat, Nov 14, 2015 by Carla

We learn best when it relates to real life!

10:16am, Sat, Nov 14, 2015 by Roslyn

I'm very much a visual learner.

10:16am, Sat, Nov 14, 2015 by Rachel

When you are desperate for an answer

10:20am, Sat, Nov 14, 2015 by mild

The kids always seem more interest in relevant science, the use of socioscience topics connects to them <- and thats who they care about

10:20am, Sat, Nov 14, 2015 by Koralina

People change from pain, gain, or vision.

10:20am, Sat, Nov 14, 2015 by Mbitious4Kids

When we are interested In a topic, intrinsically motivated and when it's in our learning style

10:21am, Sat, Nov 14, 2015 by Triniflavor

Very informative keynote.

10:21am, Sat, Nov 14, 2015 by Tara

We can hit the last two levels when we bring in authentic audiences for our students using technology.

10:22am, Sat, Nov 14, 2015 by Sarah

We learn most profoundly, deeply when we need to survive.

10:23am, Sat, Nov 14, 2015 by Nat-Nat

Access to devices is still very limited in the district; when will there be the availability of devices for every student in our district?

10:24am, Sat, Nov 14, 2015 by momoftwins

Did you need parent approval for all these steps?

10:24am, Sat, Nov 14, 2015 by Noelle

Tangentially related question...what happens to educators when we share what works/doesn't work with our students? We have that power.

10:25am, Sat, Nov 14, 2015 by Sarah

powerful video

Facilitator:)

10:35am, Sat, Nov 14, 2015 by FM

Facilitator – hook up

10:35am, Sat, Nov 14, 2015 by Lorca

To be a facilitator of student learning

10:35am, Sat, Nov 14, 2015 by Jen

Our role has changed to teaching to the test. If it wasn't it wouldn't be on our evaluation.

10:35am, Sat, Nov 14, 2015 by theartguy

Facilitator

10:35am, Sat, Nov 14, 2015 by Angi

10:35am, Sat, Nov 14, 2015 by KMStech

As a facilitator of knowledge– our role has changed a lot!

10:35am, Sat, Nov 14, 2015 by THSStephanie

Technology is the strong anchor for an evolving world!Great support for teachers to bring learning into the students' tech dominated world.

10:35am, Sat, Nov 14, 2015 by Jenn

To aid the students in becoming responsible learners

10:35am, Sat, Nov 14, 2015 by Ebony

Example

10:35am, Sat, Nov 14, 2015 by Emily

Tech facilitator

10:35am, Sat, Nov 14, 2015 by Juliej

Love all people where they are at and for their who and not what they can or can not do

10:35am, Sat, Nov 14, 2015 by Jlu

Facilitator

10:35am, Sat, Nov 14, 2015 by Celeste

Our role is to spark the flame of our children's minds

10:35am, Sat, Nov 14, 2015 by Jimenez

Teachers have to be facilitators.

10:35am, Sat, Nov 14, 2015 by AK

To prepare students to become leaders and be independent thinkers

10:35am, Sat, Nov 14, 2015 by Cris

Our job is to help children become innovators!

10:35am, Sat, Nov 14, 2015 by EdTechNia

Ou role is healing them to be life long learners.

10:35am, Sat, Nov 14, 2015 by Peach3

Our role is to ignite a passion for learning and doing.

10:35am, Sat, Nov 14, 2015 by Jogitl

Now we are more facilitators.

10:35am, Sat, Nov 14, 2015 by Ron

All of the above

10:35am, Sat, Nov 14, 2015 by KC

Teachers need facilitate student learning and inspire students to make goals and work towards them.

10:36am, Sat, Nov 14, 2015 by Carla

Our role is to develop self-sufficient adults that are able to function within global competition.

10:36am, Sat, Nov 14, 2015 by Lene

Develop a safe environment where they can get something wrong and ask questions when they do not understand

10:36am, Sat, Nov 14, 2015 by Chris

Can you teach motivation?

10:36am, Sat, Nov 14, 2015 by EdTechNia

Guide children on how to be problem solvers and world contributors

10:36am, Sat, Nov 14, 2015 by Murray

Empower students to become lifelong learners

10:36am, Sat, Nov 14, 2015 by Joshua

Teaching them to learn their own

10:36am, Sat, Nov 14, 2015 by CarolynS

Prepare students to become life long learners, members of the community and responsible employees.

10:37am, Sat, Nov 14, 2015 by AJ

To guide them into learning...facilitator

10:37am, Sat, Nov 14, 2015 by Yodi

As a professional educator i think my role is to prepare students to become critical independent thinkers.

10:37am, Sat, Nov 14, 2015 by Tara

I feel encouraged

10:37am, Sat, Nov 14, 2015 by Celeste

Thank for themselves and the a way to find the information for them to make an informed desishions.

10:37am, Sat, Nov 14, 2015 by VB

Prepare students to face the unknown powerfully

10:38am, Sat, Nov 14, 2015 by Joshua

Our goal is not to spoon feed our students and encourage them to learn and discover

10:38am, Sat, Nov 14, 2015 by Val

Educators need to provide students with resources to find answers to their questions, to motivate them to maximize their potential ...

10:38am, Sat, Nov 14, 2015 by Triniflavor

I don't think you teach motivation. I think you inspire motivation. Or at least don't stand in the way of motivation.

10:38am, Sat, Nov 14, 2015 by KMStech

One can not risk if the environment is not safe

10:38am, Sat, Nov 14, 2015 by Jlu

that failure is not an end...but a beginning

10:38am, Sat, Nov 14, 2015 by baitovn

To build their character so that they will be competitive globally and compassionate citizens.

10:39am, Sat, Nov 14, 2015 by Triniflavor

To construct meaning that foresees the future

10:39am, Sat, Nov 14, 2015 by Joshua

Learn. Unlearn. Relearn. Great Mantra!

The bike is hilarious!

10:43am, Sat, Nov 14, 2015 by Ebony

I will share this with my students

Cognitive professional dissonance is the place of learning

10:46am, Sat, Nov 14, 2015 by baitovn

Shower thought: does Today's Meet take away from my attention to the presentation? Is the cost/benefit of wider communication worth it?

"The greatest mistake is not learning from your mistakes." This is the same as...The greatest

10:47am, Sat, Nov 14, 2015 by Jenn

Hi Mr. Pozen, for me I like a backchannel better. It makes me more focused, and I learn better when I can discuss with people.

As a multitask learner I appreciate the opt to interact with peers

10:49am, Sat, Nov 14, 2015 by Jlu

Will this presentation be accessible online afterwards?

10:50am, Sat, Nov 14, 2015 by Juliej

I think it helps increase my engagement in the presentation and I love that I can interact with peers throughout.

10:51am, Sat, Nov 14, 2015 by Jen

Mr. J is this presentation accessible?
